**Parking at Foundation Hall:**

Parking is available in the lot on the west end of the building (lot on the left if facing Foundation Hall) and extra parking is located across the street in the Collegenide Church parking lot. When TTU is in session, we encourage visitors to carpool if possible due to parking constraints. Please refrain from parking in the faculty/staff parking area (lot on the right if facing Foundation Hall) since we share the building with several TTU departments.

**Office Location in Foundation Hall:**

Come in the front (center) entrance. If you take the elevator to second floor, turn left and then right at the hallway. Even though our conference room is labeled Library, we encourage visitors to look for directions to Room 224 (main office) since there are three different hallways on the second floor of Foundation Hall.
