¹ For a detailed list of achievement measure types within each approved achievement measure, see the following pages.

² Data for the chosen measure must be quantifiable. For additional guidance on the setting of achievement levels, see guidance documents available at <http://team-tn.org>.

³ Signatures indicate that the information contained in this document has been discussed.

⁴ When current year data is released, if a teacher has an individual growth score of a 3, 4, or 5 and that score is higher than the achievement score, the individual growth score will automatically replace the achievement score when final scores are submitted.

⁵ Signatures indicate that the information contained in this document has been discussed. Districts/administrators must enter all teacher and administrator growth measure selections into [TNCompass](#) by the October deadline noted in the evaluation timeline outlined on the TEAM website [here](#).

⁶ Early Grades Composites include 3rd grade TVAAS data and are available in districts that have administered the Grade 2 Assessment to their current 3rd grade students.

⁷ Off-the-shelf assessments are commonly used nationally or state-wide.

⁸ District should *at least* measure the standards that are aligned to TN ELDS. It is suggested that standards in each math cluster and ALL ELA standards be measured.
