

## 2017-18 Level of Overall Effectiveness (LOE) Nullification User Guide

Once all required components for the educator’s evaluation have been imported by the department and district, the level of overall effectiveness (LOE) will calculate in [TNCompass](#). On the educator’s evaluation page, the system will display the scoring methodology that resulted in the highest scale score used to assign the LOE. The administrator\* finalizing the evaluation should enter his/her electronic signature (PIN) to acknowledge the evaluation has been reviewed. After an administrator has acknowledged the evaluation, the educator should enter his/her PIN to finalize the evaluation.

**All nullifications and related PIN signatures should be finalized no later than 5 p.m. CT on Nov. 30, 2018.**

For the 2017-18 academic year, educators with 2017-18 TNReady data included in the calculation of their LOE have the option to nullify the 2017-18 LOE score. Guidance related to decision-making around nullification can be found here: [Level of Overall Effectiveness \(LOE\) Nullification Guidance](#)

*\*In this user guide, administrator is defined as current or previous year principal, assistant principal, superintendent, superintendent designee, or other role that has been granted the evaluation edit permission within TNCompass.*
