A. Identify Skills	A. Identify Skills	A. Identify Skills	A. Identify Skills	A. Identify Skills
Correctly identifies <u>all four</u> locomotor skills (hop, gallop, slide, skip) when observing the performance of another person or recorded performance AND explains how the skills are similar/different.	Correctly identifies <u>all four</u> locomotor skills (hop, gallop, slide, skip) when observing the performance of another person or recorded performance.	Correctly identifies <u>three</u> locomotor skills (hop, gallop, slide, skip) when observing the performance of another person or recorded performance.	Correctly identifies <u>two</u> locomotor skills (hop, gallop, slide, skip) when observing the performance of another person or recorded performance.	Correctly identifies <u>zero or one</u> locomotor skills (hop, gallop, slide, skip) when observing the performance of another person or recorded performance.
B. Critique	B. Critique	B. Critique	B. Critique	B. Critique
Correctly identifies the error in performance, provides <u>two</u> or more statements for correction, AND <u>two</u> or more statements of proper performance when shown a demonstration or recorded performance.	Correctly identifies the error in performance, provides <u>one</u> statement of correction, AND <u>one</u> statement of proper performance when shown a demonstration or recorded performance.	Correctly identifies the error in performance AND provides <u>one</u> statement of correction when shown a demonstration or recorded performance.	Correctly identifies the error in performance when shown a demonstration or recorded performance.	Cannot correctly identify the error in performance when shown a demonstration or recorded performance.
C. Peer Teaching	C. Peer Teaching	C. Peer Teaching	C. Peer Teaching	C. Peer Teaching
Describes to a partner the correct way to perform a skill using <u>all</u> critical elements, content-specific vocabulary, and logical, sequential order.	Describes to a partner the correct way to perform a skill using <u>all</u> of the critical elements.	Partially describes to a partner the correct way to perform a skill, using <u>at least two</u> of the critical elements.	Partially describes to a partner the correct way to perform a skill using <u>at least one</u> of the critical elements.	Incorrectly describes to a partner the way to perform a skill, using <u>none</u> of the critical elements.
