- **To sign in, click** the green button on the left and use your SSO tneducation.net credentials.

A screenshot of the TeachALL login page. At the top, there is a logo with a laptop and a person. Below the logo, the text reads "Welcome to TeachALL". A small paragraph explains that as a teacher, alternative educator, or administrator, users have access to paths and plans to ensure growth. The page features two login options: "Login with your TDOE SSO account" (highlighted with a green box) and "Login with your TeachALL account". The TeachALL account login section includes fields for "Username or email address" and "Password", a "Login" button, and a "Forgot password?" link. At the bottom, a green bar contains the text: "Don't have a TDOE SSO account? Click here to create a TeachALL account."

Non-SSO Login

- If you do not have an SSO account, you will use your district email to create an account on TeachALL. To create that account, click on the green button at the bottom of the screen.

*Please Note: If you have SSO credentials, you must use your SSO.
