Educator Recognition

Educator Recognition

We are pleased to announce the opening of the 2027-28 Educator Recognition Year. Several updates have been made to better support districts and charter schools, align with statewide structures, and more thoughtfully reflect the demands of the school year:

- **Timeline Shift:** Nominations will be due on **November 1, 2026**. This adjustment was made to align the Educator Recognition Program more thoughtfully with educators' school calendars and to help avoid some of the busiest and most critical periods of the academic year, including school breaks, spring testing windows, and end-of-year responsibilities. Please reference the current Projected [2027-28 Educator Recognition Timeline](#).

- **Principal and Supervisor of the Year Nominations:** Districts and Charters may now nominate up to **three** principals and supervisors. Principals will need to adhere to one nominee from each grade band: Pre-K/Elementary, Middle School, and High School. Any three Supervisors may be nominated.
- **CORE Region Alignment:** To align with other Tennessee Department of Education programs and regional structures, Educator Recognition will now follow the traditional eight CORE Region model, replacing the previous nine-region structure which had separated Southwest and Memphis/Shelby and Municipal districts.
- **District Nominations Through Submittable:** This year, all four "Of the Year" nominations will be submitted through a single District Level Report Form in Submittable. A login is required and may be created using a district email address; for Submittable technical support, please contact Educator.Recognition@edu.tn.gov.

Thank you for all that you do to support Tennessee's students and teachers!
